I installed a (circle one>>) new pool / pool liner / repaired my pool / had a leak occur at my property on or about _____. I am requesting a credit to the sewer portion of my bill. I understand this is a one-time courtesy from the Village for a pool credit to defray the cost, and an approved pool permit on file with the building department, or one will be requested before the credit is applied. With regard to leaks, only certain situations grant credits to your bill and will be reviewed before applied.
